Coat Rental Request 2016/2017 Race Season

Kristen Funk has again offered to be in charge of all coat rental requests. The coats are currently in storage until November but if you would like to be on the list to rent a coat please email or mail this form to Kristen, at the address below.

Racer's Name _____

Parent's Name _____

Parent's Email _____

Telephone Number _____

Division _____ Did you rent a coat last season? _____

Size needed _____ (youth 8-20 or adult S M)

The details~

Coat rental is \$75 per season, with a \$150 deposit, in separate checks, made payable to the **MTSO Race Team Parents Association Inc.** The deposit is held to offset the cost of damaged or unreturned jackets and will be refunded when the jacket is returned at the end of the season.

This form is a request, not a guarantee. Coat rentals are subject to availability and will be distributed first to those skiers who are returning and had rented a coat last season. New skiers who are racing will be next in line. Developmental team skiers are last in line.

An email will be sent when coats are available for pickup. Payment, deposit, and signing of the Racer Code of Conduct will be required for jacket pickup.

Thank you~
